SUITES MENU

WELCOME

Dear Suite Guests,

Congratulations! You've chosen an exceptional way to enjoy your event at Snapdragon Stadium, with a premium dining experience brought to you by 386 Hospitality.

Why the 386 name? San Diego State freshman Marshall Faulk set a then- NCAA record for 386 rushing yards on a September Saturday evening against University of Pacific in 1991. The site? The very ground on which Snapdragon Stadium now proudly stands, the old Jack Murphy. Might we add that Marshall also scored seven touchdowns that night?

In short, 386 is a standard of best-in-class excellence that we expect to meet every day, with every guest. We value your feedback and encourage you to keep in touch following your time with us in-and-around Snapdragon Stadium. See you soon!

Chef's Notes:

Aztec-Inspired menu items feature historic & contemporary culinary influences from the Oaxaca region of Mexico, the ancestral home of the Zapotec and Mixtec people who were tributary states in the Aztec Empire. These are identified with the modern icon for a nopal  (cactus).

Aztec Authentic menu items only use ingredients that would have been available to indigenous Mexico people prior to European contact. These are identified on our menus with the icon for corn  from the Aztec sun-center (calendar).

MENÚ AZTECA is a culinary celebration intended to honor the Aztec culture.

Please allow up to one hour for game day deliveries to be made to your suite.

Delivery

To ensure a seamless food and beverage experience we have outlined a general timeline for deliveries to the suites. Dry snacks and cold items will be placed in your suite at the opening of gates. Hot food items will be delivered around the event start time. Dessert will be delivered around half time or the middle of the event. Should you

need items to be delivered earlier or later during the event, please speak with the suites manager in advance to discuss arrangements.

Service Charge

All food, beverage, and other items include a 20% service charge, plus applicable sales tax. Please note that 58% of this service charge is considered a gratuity and will be paid to employees working this function and 42% is to cover other expenses and will be allocated to 386 Hospitality. All service charges are taxable and subject to change. Additional gratuity can be added at your discretion based on the service you have received.

Payment

A credit card on file will be required for suite purchases, if you would prefer to utilize a different card for payment, please inform your suite attendant prior to closing out your check. An itemized check will be presented before closing to the credit card on file at the conclusion of the event.

Food and Beverage Service

All food and beverage presented at Snapdragon Stadium must be prepared by the onsite culinary team. No food or beverages will be allowed to be brought into or taken out of Snapdragon Stadium. Policies & Procedures

Nutritional Information and Allergies

In order to make menu choices easily discernable we have noted the items that are "Vegan", "Vegetarian", "Gluten Free", and "Dairy Free" on the menu. If any other changes need to be made, please speak with the suite attendant to explore possible options. If you have any questions or have any food allergies, please let your suite attendant know right away to ensure proper steps are taken. Some allergens, such as nuts, can come into contact with other ingredients before making it to our kitchens. We cannot always guarantee that there is no exposure to the allergen, but we can make special efforts to ensure your safety to the best of our ability.

Alcohol Regulations

To abide by the laws set forth by the state of California, and create an enjoyable experience for everyone, we have established the following guidelines for the consumption of alcohol in the suites. The suite holder must ensure that no minors (under the age of 21) or intoxicated individuals consume alcohol in the suites. We also reserve the right to check identification and refuse service to intoxicated individuals to ensure the safety of everyone involved. Alcohol purchased for

the suite will not be allowed to be removed from the suite and brought to the public areas in the stadium. Alcohol sales will conclude at the end of the 3rd quarter (Football) or 1 hour prior to the event conclusion. Any remaining alcohol purchases will be allowed to be consumed in the suite after this point, however no further purchases will be allowed.

At the conclusion of the football and/or soccer season alcohol, wine, beer and n/a beverages cannot be taken out or saved for the following season. Please refer to the suites manager when nearing the end of the season so she/he may update you on your alcohol/beverage inventory in the suite. No outside alcohol will be allowed to be brought into the stadium* and at the conclusion of the event, alcohol will not be allowed to be removed from your suite.

**The only exception is for sealed 750ml bottles of wine, which can be approved by the suite manager in advance of the event. A \$50 corkage fee will apply to each bottle brought into the stadium regardless of consumption. The bottles must be brought to the stadium in advance of the game day.*
